ISRAEL SUPPORT BRIDGE

AN EMERGENCY NETWORK
THAT CONNECTS
PEOPLE, RESOURCES AND PARTNERSHIPS
TO DELIVER CRITICAL AID
IN ISRAEL AND WORLDWIDE

The Need

Civil action and volunteerism were crucial in supporting Israeli society, connecting critical emergency demands with the significant flow of contributions and support. It is essential to streamline efforts, minimize duplication and waste, optimize processes, and ensure coordination across all sectors.

Who We Are

Founded as a civil initiative addressing most pressing challenges, Israel Support Bridge rapidly evolved into the biggest platform and connector between needs and people, services and supplies. We bridge the gap between urgent community needs and the incredible surge in donations and resource with advanced logistics and expertise.

Our Mission

WE CREATE SOLUTIONS THAT LINK ON-THE-GROUND NEEDS WITH CIVIL GROUPS, VOLUNTEERS, MUNICIPALITIES, SECURITY FORCES, GOVERNMENT OFFICES AND DONATIONS, OPTIMIZING THE AID & GIVING PROCESS TO MAXIMIZE IMPACT.

Core Action Model

We operate through three interconnected pillars, ensuring a synchronized and effective response:

Our Unique Value

ISB's distinct advantage lies in its precision and adaptability:

1. Comprehensive emergency aid and support services.
2. Customized aid solutions.
3. Connecting efficiently and transparently with all sectors and government offices.
4. National warehouse network with strong operational capabilities.
5. Collaborative efforts to enhance efficiency, resource pooling, and eliminate duplication.

Our Achievements by the end of 2024

- **120** containers of essential supplies delivered
- **7** Boeing 747 planes filled with equipment dispatched
- **50** events organized for displaced families
- Support extended to **100+** communities and **5** government offices
- Medical equipment valued at **$30M** provided include hospital beds and rehabilitation equipment
- Global volunteer network of **10,000** ppl
- **200k** distributed meals
- Civilian equipment valued at **$50M** distributed
- Tactical equipment valued at **$10M** supplied
- Joint efforts with **60** civilian initiatives in Israel
- Collaboration with **160** organizations from 14 different countries

Looking Ahead

Our organization is dedicated to growing its logistics infrastructure, establishing distribution centers in 50 key locations across Israel and worldwide in collaboration with municipal and local authorities. This effort includes strengthening and expanding our volunteer network locally and globally, while fostering and enhancing our collaborative framework with partner organizations.

Join us in making a lasting impact.
Together, we can bridge the gap and build a stronger, more resilient future for Israel and world Jewish communities around the world.
